

# Conversion of eDIVE Results to the Meet Manager Format

Prepared by Linda Nolder with Bill Spurgeon

When the event or meet is completed, return to the eDIVE opening screen.

## Step One:

- Under <Meets / Edit a Meet> – choose your meet
- Choose the Girl's event you just ran, click on it, making sure the <This is a Finals Event> box on the right is checked.
- Then select <File> from the menu and then <Save>.
- Repeat these actions for the Boy's event.

Event Name: HIGH SCHOOL BOYS VARSITY This event was created based on the following event: HIGH SCHOOL BOYS 6 DIVES (TV 50) 1M

## Step Two:

- Return to the opening screen
- Click on <File>
- Click on <Export to:> *Hy-Tek Merge Results (HY3)*

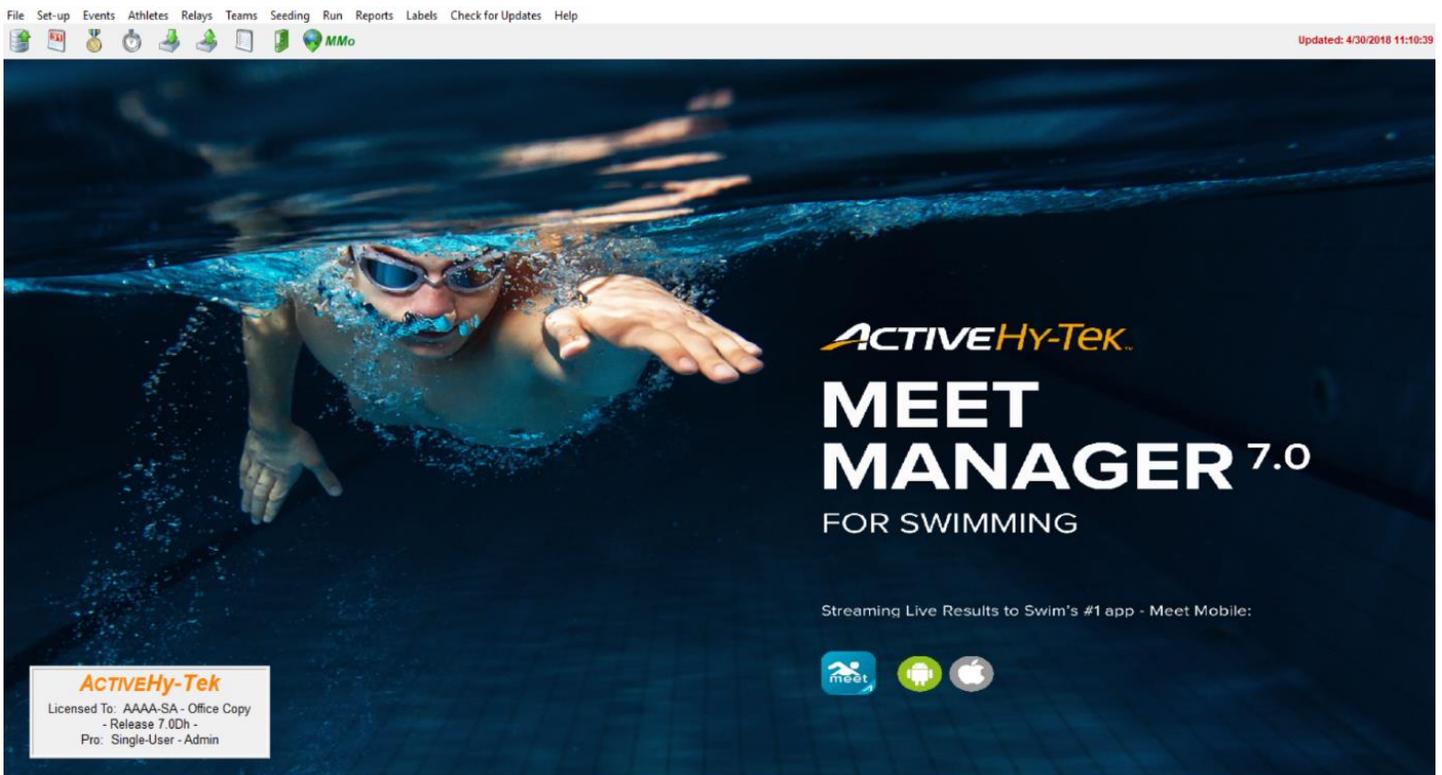

## The screen below will appear

- Select the appropriate meet from the first dropdown box
- All events that were checked as Finals Events will be listed in second dropdown box
- Select your event from this list and enter the MM event number in the box labeled 'MM Event Number'.
  - Normally the two middle boxes may be ignored
- Press <Enter> to save your changes to that row
- At the bottom is a field labeled 'Save the results to the following file'
  - Enter the path and name of the file to where you would like to save the exported results.
  - Example: (c:\users\public\ Dive\Results.0509.HY3BoysDual2)
- Press the <Export Results> button
- When the export has completed, a dialog indicating the process has been completed will appear. <Click OK>
- Press the <Done> button
- Repeat this process for the next event, remembering to save the new file under a different name
- By whatever means is convenient, transfer the files just created into an appropriate meet in Meet Manager and follow the instructions to Import a Merge a Results File.
  - If you are running eDIVE on the same computer where Meet Manager is located, the files can be simply dragged into the appropriate meet

### Step Three:

- In Meet manager go to <File>
- Then <Backup>
- <Save> the SwmmBkup Zipped file to wherever you like
- Attach it to an e-mail and [mailto: swimsa@att.net](mailto:swimsa@att.net)
