

SAN ANTONIO NADAODRES AGE-GROUP SWIMMING TEAM

Thanks for your interest in the San Antonio Age-Group Swimming Team.

Please read the information below closely.

Mission Statement- We are a year round competitive age-group swimming team governed by United States Swimming and South Texas Swimming. Our goal is to provide a safe and fun environment for our swimmers to improve and be highly competitive at the High School and/or Collegiate Level. Also, we want your child to view swimming as a lifelong activity.

Please note, we are not affiliated with the City of San Antonio Parks and Recreation Swimming Team. The Parks and Recreation Team is a seasonal team (June and July) and is designed for developmental swimmers. As per Park and Recreation State rules, all swimmers registered for USA Swimming may not participate in the Parks and Recreation State Championship held in late July.

Participation- All team members are required to be a member of USA Swimming. This is for liability and insurance purposes and is mandated by USA Swimming. USA Swimming is the national body that governs our club. Our club is named the San Antonio Nadadores and we are part of an umbrella organization called the Alamo Area Aquatic Association. We compete in all meets under the banner of Alamo Area Aquatic Association. All swimmers are required to complete a team registration form and provide a birth certificate prior to their first practice. The annual registration cost for the team is \$90.00 per year which includes USA Swimming Registration. Outreach membership is available for \$20.00 per year if a need is evident. Outreach membership also includes USA Swimming Registration for the year as well. Monthly dues vary depending on practice group and practice sessions per week.
