**The meet administration reserves the right to alter meet operations after the entries have been received. Announcements regarding how the meet will be run will be communicated to entry contacts and during the coach meetings, if necessary.**

### **USA Swimming**

**Registration:** All swimmers, coaches, and officials participating in this competition must be currently (2018) registered with USA Swimming. No swimmer will be permitted to compete unless the swimmer is a member as provided in Article 302. All should also be prepared to present their USA Swimming ID Card as proof of their registration to the Meet Director or designee at any time. Swimmers who 1) late enter when possible; 2) need to be late-entered because of clerical errors by the entering team or the Meet Host; or 3) are not entered in this meet and choose to enter time trials, if offered, will be required to present their USA Swimming ID card or proof of membership using the USA Swimming Deck Pass app (or a coach may present the club's official, watermarked roster from the USA Swimming club portal). Current national and LSC regulations do not allow for exceptions to these policies.

### **Unaccompanied**

**Swimmers:** Any swimmer entered in the meet must be certified by a USA Swimming member-coach as being proficient in performing a racing start or must start each race from within the water. When unaccompanied by a member-coach, it is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement. All unaccompanied swimmers will be temporarily assigned to a registered USA Swimming coach for warm up, warm down, and competition purposes in order to comply with USA Swimming Rule 202.5.2.

### **Qualifying**

**Times:** The qualifying time standards for all individual events are **slower** than STSI STAGS Time Standards. Swimmers may **not** enter any event in which they have achieved the 2017-2018 STSI STAGS Time Standard or faster in any course. In addition, they cannot swim that stroke and distance on any relay team. There are no qualifying times for relay events. Qualifying times must be achieved prior to the first or second entry deadlines.

NT entries will **not** be accepted.

If entering with a non-conforming time (SCY or SCM), the swimmer must enter with the time achieved in the non-conforming course. Converted entry times will not be accepted. Seeding for events shall be in the following order: long course meters, short course meters, short course yards (LSY). Swimmers with short course meters or short course yards times will be seeded last.

### **Proof of**

**Time:** Proof of time must be submitted with the entries. All entry times must be verifiable using the USA-S SWIMS database. In cases where a claimed time does not appear in SWIMS due to a clerical or posting error, a copy of the official meet results, signed by the Meet Referee, will be an acceptable proof of time. Times used to enter a meet must have been achieved in a USA-S Sanctioned, Approved, or Observed meet. All proofs of times are the responsibility of the entering teams, not the meet host. Entries without an acceptable proof of time will not be accepted.

**Age up Date:** The age of the swimmer will be his/her age on July 20, 2018.

### **Entry**

**Restrictions:** An individual swimmer may enter a maximum of three individual events and up to one relay events per day. Swimmers who have achieved the 2017 – 2018 STSI STAGS Qualifying Time Standard or faster in any course may not swim those individual events in the STSI Junior STAGS Championship meet, nor may they swim that stroke and distance on any relay team.

### **Time Trials:**

Time trials will be conducted if time permits. Time trials (if held) will be conducted within 30 minutes of the conclusion of each session. Once the meet entries are received by the meet host, the host will then determine if time permits. If time trials are held, swimmers may enter events during the meet, up to the established cut off time for time trials.

Time trial entrants who are not already entered in the meet must present their current USA Swimming registration card or proof of membership using the USA Swimming Deck Pass app (or a coach may present the club's official, watermarked roster from the USA Swimming club portal) to enter into events. Swimmers may enter up to three time trial events per day if they are not already entered into the meet.

The meet host will schedule time trials in the most efficient way possible without consideration of how many time trial events a single swimmer enters.

Swimmers must be registered with South Texas Swimming to participate in time trials. Participation in a time trial event counts as one of the daily total events allowed for swimmers already entered in the meet. A qualifying time earned during time trials will NOT qualify a swimmer to swim that event at this meet.

Time trial event results will be published with the final meet results.

Time trial entry fees: Individual events \$20.00; Relay events \$40.00 - includes the \$1.25 STSI splash fee

## Relay

### Entries:

Relay events will be seeded by age group and gender, and will swim fastest to slowest. There are no qualifying times for relay events. Relay team entry times may be determined by the sum of the individual team member's times for the like strokes/distances or the actual time of that relay team achieved in sanctioned competition. Swimmers who have achieved the 2017 – 2018 STSI STAGS Qualifying Time Standard or faster in any course may not swim that stroke and distance on any relay team. Swimmers who earn STSI STAGS Qualifying Time Standard or faster times for the first time during this meet or during time trials (if provided) at this meet are **not** excluded from swimming that stroke and distance on a relay team.

Relay team members must be eligible to swim in the same age group. Swimmers cannot "age up" for relay events. Unlimited number of relays per event per club (A, B, C, etc.) but only two relays per event per club will score. It is recommended that relay swimmer names be included with entries to help enter the relays efficiently at the start of the session.

Relay-only swimmers are not permitted. All relay swimmers must be entered in at least one individual event to be eligible to swim on any relay. Being entered in only a time trial event does not qualify a swimmer to participate in a relay event.

Relay cards must be turned in to the Admin Official or designee with final relay swimmers before event 5 for Friday's relays and by the end of the meet on Friday for Saturday's relays. If a relay card is not turned in, the relay will be scratched. The order of swimmers on the relay team will be strictly enforced in accordance with 102.3.7 of the 2018 USA-S Rules and Regulations.

## Entry

### Deadlines:

There are two entry deadlines for this meet. The first deadline is **Monday, July 9, 2018**. The first entry deadline is for athletes who have achieved qualifying times prior to this date. If possible, please enter relay teams at the first deadline. This deadline is required to verify swimmers and times in the SWIMS database and correct errors.

The final entry deadline is **Monday, July 16, 2018, by noon** and is dependent of the availability of potential qualifying meets one week in advance of the start. *This will also be the final deadline for all relay entries.* Only swimmers who have achieved a qualifying time **after** the first entry deadline may enter using the second entry deadline. Teams may use the second entry deadline to update swimmer times if necessary. After the first meet entry deadline, any swimmer who achieves the 2017 – 2018 STSI STAGS Qualifying Time Standard or faster in any course for a previously entered event must inform the Entries Chair by the second entry deadline so the athlete can be taken out of that event.
