**Swimming**

**Format:**

- Championship format, i. e. preliminaries and finals
- Consolation (“B”) and Championship (“A”) finals
  - Exceptions:**
    - One heat of each relay will advance to the finals (Scored to eight (8) places
    - One heat of the 1000-yard freestyle will advance to the final (Scored to eight (8) places
    - 1000-yard freestyle – Special Notes:
      - Positive check-in by 0930 on the day of the event
      - Seeded on deck by gender and swum fastest to slowest as the last event in the preliminary sessions
        - Women on Friday and Men on Saturday
      - Contested as the **FIRST** event in the finals sessions
- The Federation Whistle Start and No Recall False Start Procedures will be in use at this meet
- Fly-over starts will be utilized **ONLY** in the preliminary sessions - please see the section below
- Should a larger number of entries warrant, Meet Management reserves the right to reconfigure this meet into two pools with Odd Heats and Even Heats split.
  - Each team will be notified via e-mail should this become necessary
  - The information will be posted with the Psych Sheet as well

**Fly-over**

**Starts:**

- In the preliminary sessions ONLY, fly-over starts will be utilized for most individual events
  - Exceptions:** 1000 and 500 Free / 400 I-M / Backstrokes / Relays
- The purpose of fly-over starts is to conserve time and to establish and maintain meet momentum
- Under ideal conditions and with appropriate cooperation from the athletes, intervals between races can be held to a nominal 25 seconds
- The conditions required:
  - As swimmers finish their race, they **MUST stay in the water** and close to the wall as the next heat is started over their heads
    - A failure to do so can create potentially dangerous situations
  - As soon as the outgoing race is in the water – but not before - the just finished swimmers must promptly exit the pool
- The procedure:
  - When the finishing race is approximately five meters from the wall, the Deck Referee will sound the short whistles, which alerts the next heat to be immediately ready to mount the blocks
  - When the last swimmer in the incoming heat is about to touch the wall, the Deck Referee will sound the long whistle and all swimmers **MUST IMMEDIATELY** mount the blocks and prepare for a start
  - As soon as the Deck Referee is satisfied the pool is clear and all is in readiness, her / his arm will be extended and the Starter will give the “Take your mark” Command
  - The same process is then repeated for each additional heat
  - Intervals between events are similarly managed, i.e., there will be no delays
- Because this procedure is time sensitive with few or no delays, upcoming swimmers must anticipate their next race, have caps and goggles in place, be properly situated behind their blocks and be immediately ready to mount the blocks on hearing the long whistle
- If careful attention is not given to the situation at hand, swimmers can very easily miss their race and / or be disqualified for delay

**Diving:**

- National Federation Rules will apply
- The Degree-of-Difficulty requirements for this meet are:
  - Optionals* - Minimum 12.8 for ONE METER - *Voluntaries* not to exceed 9.0 – National. Federation DD Table
  - Optionals* -Minimum 12.1 for THREE METER - *Voluntaries* not to exceed 9.5 – Finals DD Table
- Please note the daily schedule on page one (1)
- Events will be 11-dive contests
- Five (5) voluntary (one from each category)
- Six (6) optional dives (one from each category) plus one extra dive
- All divers **MUST** be entered with their team via Hy-Tek Commlink File **\*\*AND\*\***
- All divers **MUST** enter completed sheets via [www.cleanentries.com](http://www.cleanentries.com) by 1200, November 27th  
**THESE CAN BE NO EXCEPTIONS!**

An exception will be made for medically necessary items after proper inspection at a gate designated for this purpose. Please limit the number of items you bring to the stadium on event days.

**These restrictions DO NOT apply to Athletes, Coaches, Administrators, Staff or Officials!**

# HIGH SCHOOL COACHES and ADMINISTRATORS, PLEASE NOTE!

USA Swimming (USA-S) has made significant revisions to its registration process, which in turn have made changes to the National Time Verification (NTV) program necessary. These revisions of policy and procedure directly effect how certain times from high school competition are permitted to be entered into the National SWIMS Database.

Many, if not most of you, have one or more Club swimmers who are, or should be; registered members of USA-S on your High School Team. Each such athlete, by rule and policy, is ostensibly registered with USA-S for the current year. As proof of that registration, each will have a USA-S Identification (ID) card containing information related to the NTV Program about which you need to be familiar.

The important revisions to USA-S registration include, but are not limited to, the following:

- Parents and guardians are now required create USA-S accounts for athletes and may enter the athlete's name in whatever fashion desired.
- Birth Certificates are no longer checked for "full legal name," so a nickname, the last name they use, etc. are now acceptable, e.g., swimmer's "legal" name may be John William Hernandez-Smith but the swimmer goes by Jack Hernandez and the latter is what can now be entered as the name on the USAS side.
- That is also the name high school coaches must now use. On the other hand, if a full legal name was entered, then the high school coach must use it.
- It is imperative that the name in the high school database perfectly matches what is in SWIMS, including the middle initial.
- Consequently, PLEASE do not use "full legal names" any longer as there is no guarantee the swimmer's full legal name is in SWIMS.
- The date of birth and gender must be included
- The correct USAS ID must also be included. The USAS ID is now 14 random, alphanumeric characters. SWIMS will not recognize the older IDs (6 digits followed by 8 characters).
- Athletes must be a member of USA-S in good standing as of the meet start date for the times from observed meets to be loaded to the SWIMS database.
- For athlete members ages 18 and older, a current Athlete Protection Training (APT) is also required.
- Effective September 9, 2023; South Texas Swimming may no longer go back and load times achieved at observed meets by swimmers who were not members of USAS in good standing as of the observed meet's start date even if they later register with USA-S, renew an expired membership, and complete the APT if applicable.

SWIMS Users always endeavor to match athletes to times that will not load, but it is generally unknown if the mismatch is because of the name, birth date or if the athlete is not currently registered. When there is complete and correct data in the high school database, SWIMS Users can almost always match athletes easily.
